Child Evangelism Fellowship (CEF) is a Bible-centered organization composed of born-again believers whose purpose is to evangelize boys and girls with the Gospel of the Lord Jesus Christ and to establish (disciple) them in the Word of God and in the local church for Christian living.

For more than 80 years God has given *Child Evangelism Fellowship* a number of unique ministries which have proven to be effective tools in our effort to evangelize and disciple children. CEF offers several exciting and interactive ministries to evangelize and equip our children.

- *Good News Club*, a weekly club during the school year, is more popular than ever following the Supreme Court victory allowing *Good News Club* to take place in public schools across America.
- Our summer *5-Day Club* outreach takes place over the course of a five day period, offering a unique opportunity for children to interact with teenagers who receive training in the *Christian Youth In Action* program.

Children will be engaged in an exciting curriculum that will keep their attention, motivate their interest in learning and practicing God's word.
