### **A. Course Description**

Overcomers Ministry is a stimulating, inspiring and innovative course that combines God’s instruction for His people to remain steadfast through trials by following God direction thru the end. The class will encourage others through Testimonial presentations of His goodness. The Scriptures admonishes us that every believer is called to be an overcomer. “Everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith. Who is He that overcomes the world? Jesus is the Son of God (1 John 5:4-5).

If you are dealing with an illness, or critical deadly medical problem, a survival or victim of a trauma, or dealing with grief or depression, or called to be a care for any of the situation listed, this course may be what you need on this life’s journey. God has a plan for you to be victorious over your illnesses, diseases, trauma, and limitations. God wants you to equip yourself to be an overcomer by studying His word, and believing that God is whom He says He is. “There is no failure in God.”

### **B. Course Organization**
